## Congratulations New Silvers Moses & Loyce Alvarado!!

While Moses was growing up in a poor, uneducated, farming household, he never dreamed he could be a successful business owner. But after losing his job in retail management some years later, he was contacted by a total stranger who would lead to Steve and Sue McFerren. He met and sponsored Loyce, a single mother at the time, hoping to give her a chance at more than just surviving. They later married and now build the business together, helping others overcome and dream big dreams of their own.

We are so blessed and excited to be part of such an amazing team and know that this is just the beginning! We thank God every day and attribute our success to Him and our incredible line of sponsorship: Steve and Sue McFerren, Pat and Danene Conditt, up to Jake and Jackie Baker (Team ISI).

We live in the Houston area and have five adult children and 2 daughters-in-law. Moses works as an independent contractor and I work in Missions and Adult Discipleship at our church, but we know it won't be long before we are both full-time business owners as we move on to Ruby and Diamond. We are excited about the

leaders we are bringing with us and the positive impact they are making in this world.
