Distributor Terry Wagner, Who Recently Met with Members of Congress on Behalf of Herbalife, Elsewhere Promotes the Herbalife Business Opportunity as Providing More Retirement Security Than a Job

Terry Wagner, an Herbalife Ltd. distributor operating the UR Way Nutrition Studio in Toledo, Ohio, promoted the business opportunity on Facebook on April 22, 2017 by implying it is superior to a job and provides a more security in retirement.

Under “Prohibited Lifestyle Representations,” the FTC Consent Order stated that Herbalife and its agents were prohibited from telling prospective or current participants that “participants can ‘quit your job,’ ‘be set for life,’ ‘earn millions of dollars,’ ‘make more money than they ever have imagined or thought possible,’ ‘realize unlimited income,’ or any substantially similar representations.

On July 24, 2017, Wagner posted on his Facebook that Herbalife had sent him to Washington, DC to meet with members of Congress and share his experience as an Herbalife distributor.
